WINNIPEG, August 4.

The Privy council decided in favor of Manitoba in the school case.

The petition against the return of Hon. Foster for St. Johns, N. B., has been dismissed.

Ontario is now about to agitate against separate schools and Joe Martin may be asked to take a seat for that province.

Yesterday the North Dakota authorities enforced small-pox quarantine against Manitoba by tearing up the rails at Gretna and blocking up the traffic.

Le Canadien, of Quebec, says, in reference to the Manitoba school judgment, that if England does not respect the privileges of the constitution the French of Canada should seek protection elsewhere.

CALGARY, August 4,

Two hundred citizens here attacked the Chinese laundries last night and broke all furniture in the places. The cause of the attack was the liberation of the Chinese from quarantine. Probably another attack on the Celestians will be made.

LOCAL.

BEAUTIFUL haying weather all this week.

SEVERAL crops of barley at Clover Bar are ripe.

CAPT. E. C. DAWSON left on Wednesday's train for Red Deer.

F. PAGERIE, of Fort Saskatchewan, after a long illness, died on Wednesday morning from dropsy of the heart, aged 67. The funeral will take place to-morrow, at 9 a. m., at Fort Saskatchewan.

T. W. LENDIUM, D. L. S., left by Wednesday's train perfectly well satisfied with the country and its prospects. He will return this fall or early in the spring to open a local qualified surveyor's office in Edmonton.

A VERY large number of people attended the Presbyterian Sunday school picnic yesterday, at Jas. Petrie's farm, and spent a most enjoyable time. A great number of races were run by both girls and boys. The day's sport finished up with a tug of war between married and single men, which was won by the latter.

C. H. McMURRAY and Jas. Tuff, of London, Ont., who came up here last Thursday, have left on Wednesday's train, thoroughly satisfied with the country. Mr. Tuff has purchased McDonald's farm at Long lake and intends to return this fall with his family. Mr. McMurray expects to be back in the spring.

At the Winnipeg exhibition last year Edmonton took first prize for grasses in the Territories. This year it exhibited against Manitoba and the Territories and again took first prize. There were five exhibits from the Territories, including Prince Albert and Battleford, and seven from Manitoba. The stock was the principal feature at the show; there was some very fine grain exhibited, but the straw was very short.

REGINA LEADER, July 28th: M. McCauley, of Edmonton, took a splendid collection of native grasses to the Winnipeg exhibition. They include 32 varieties, and include wild timothy and wild clover, native in the district, wild pea, wild vetch, blue joint, red top, swamp grass and many other less known varieties. The following are some of the measurements: Reed grass from the Two lakes, on the Athabasca trail, nine feet; blue joint from Cooking lake, seven feet long; red top from the same place, six feet long; swamp grass, five feet long; pea vine, five feet, and vetch four feet. A sample of rye grown on Stony Plain is six feet long.

MRS. G. R. F. KIRKPATRICK returned from Calgary last Thursday.

F. X. DUBUC and wife, of Montreal, are visiting their son recently settled at Egg lake.

M. McLEOD finished rafting logs for Fraser & Co. last week. He lost no logs this season.

THERE were 16,000 people on the Winnipeg exhibition grounds on Thursday and 18,000 on Friday.

FRANK OLIVER, M. L. A., left on Wednesday's train to attend the Northwest assembly at Regina.

JAS. PORTE, Fort Saskatchewan, commenced to cut his barley on Monday, August 1st. This was sown on May 12th.

A DAUGHTER of Mr. Duplessis fell from a fence, while playing, and put her arm out of joint. Drs. Royal and Wilson attended her.

ARMSTRONG & SMITH have dissolved partnership in the livery, feed and sale stables of the Jasper Housr. E. H. Armstrong will continue the same.

MAYOR McCauley, John Brown and R. Secord returned from Winnipeg on Monday's train, and say the crops throughout Manitoba look remarkably well.

POTATOES are backward this year, according to an old settler who sent down one to the Battleford Herald, August 5th, 1879, weighing one pound and a quarter.

A LARGE number of delegates and settlers arrived on Monday's train from Dakota and Michigan. They left for Fort Saskatchewan on Tuesday night to look at the land between that place and Beaver lake.

THE Methodist church Sunday school had a beautiful day on Tuesday for their picnic. Leaving the church at 1:30 they drove to Poplar lake, where they had quite a novelty in the way of sports. There was a great deal of amusement over the apple eating contest. Apples were hung up by strings and the competitors hands fastened behind their backs; the first who got his apple eaten won the prize. There were several races for boys and girls. The two storied race was good; one boy carried another half way then exchanged places. In the boot and sock race, all competitors took off their boots and stockings piled them together, then ran about 50 yards, picked out their boots and stockings, put them on and ran back to the starting point. Everyone seemed to enjoy themselves thoroughly.

TRAP SHOOTING.

The return match between the Edmonton and Fort Saskatchewan gun clubs came off at Edmonton, on Friday, July 29th, five shots being fired in each series. Edmonton won by fifteen birds. The following is the score:

The following appeared in the Calgary Herald of July 30th: A private cablegram from ex-attorney-general Martin, now in London, England, to attorney-general Sifton, says:—"The Imperial Privy Council have given judgment in the Manitoba School case, reversing the judgment of the supreme court of Canada, and upholding the law passed by the Manitoba legislature." Separate schools, therefore, are abolished in Manitoba, unless they are maintained by private funds. The news was received with great delight in Winnipeg, and especially in government circles.

The Ottawa Evening Journal of June 21st has an article giving the views of Archbishop Duhamel on the Northwest. He praises the land at Prince Albert, Calgary, Edmonton and St. Albert as being particularly fine and the opportunities for making homes excellent, he does not tell people, you are doing well at home that they can do better here, but he strongly advises those who are not doing so well as they expect to come to this country.

HOMESTEADS.

The Canada Gazette of July 23rd has an amendment of the Dominion Lands Act relating to homesteads as follows:

"5. If, in connection with the homestead entry, the settler has obtained a pre-emption entry, in accordance with the provisions of this Act, he shall, on becoming entitled to a patent for his homestead, be also entitled to a patent for the land included in such pre-emption entry, on payment of the price fixed, in accordance with the provisions of this Act, by the Governor in Council; but such pre-emption right, if not exercised and payment made within two years after the settler becomes entitled to claim a patent under his homestead entry, shall be forfeited, and the land included in such pre-emption entry may be opened for homestead entry by the Minister of the Interior; Provided, however, that where a settler has had a homestead and pre-emption entry, and has obtained a patent for his homestead in time to entitle him to make a second homestead entry, and has been permitted to make a second homestead entry for the quarter section which was previously his pre-emption, he shall be entitled to a patent under such second homestead entry upon proving:—

"(1.) That he has resided upon the quarter section which was the subject of his first homestead entry for not less than six months in each of three years from and after the date of his second homestead entry;

"(2.) That within the first year after the date of his second homestead entry he broke and prepared for crop not less than fifteen acres of his second homestead quarter section;

"(3.) That within the second year after the date of his second homestead entry he cropped the said fifteen acres, and broke and prepared for crop not less than fifteen acres in addition on his second homestead quarter section, making not less than thirty acres;
